

# Boltz the Bear's Electrical Safety Maze

Directions: Help Boltz find the way to safety! If you come to a roadblock just start again! You can do this!!! Start at the blue arrow and finish at the green star!!

## SAFETY FACTS

- No line is safe to touch!!
- Electricity is ALWAYS searching for ground
- Water and electricity are DANGEROUS together
- NEVER climb trees near power lines
- You can't out run electricity
- If it is lightning outside.....go INSIDE!!
